Sec. 14-84. Construction sounds.

The construction (including excavating), demolition, alteration, or renovation of any structure, gazebo, dock, home or building on Saturday, Sunday and any time other than between the hours 8:00 a.m. and 6:00 p.m. on any weekday is prohibited. Such activity is also prohibited on New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, or Christmas Day. In case of urgent necessity in the interest of public health and safety, a permit to allow activity prohibited by this section may be granted by the Town Manager or his designee for a period not to exceed three consecutive working days or less while the emergency continues. Such permit shall contain conditions relating to the work and providing safeguards to the surrounding residences and their occupants and may be renewed for successive periods of three days or less while the emergency continues and if a substantial hardship exists. Violation of the conditions combined within the permit shall result in immediate revocation of the permit and shall automatically authorize the Town authorities to cause the work to cease. In addition to cessation of the work, violation of the permit conditions subjects the property owner to a fine. If the Town Manager or his designee should determine that the public health and safety necessitates the issuance of such a permit and such issuance will not unduly impair the public health and safety a permit may be issued by the Town Manager or his designee to allow erection, demolition, alteration, or repair of any structure, gazebo, dock, home or building or excavation of streets and highways within the hours of 6:00 p.m. and 8:00 a.m. of the following day or on Saturday, Sunday, New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, or Christmas Day for such work to be done within such hours or within a shorter time period during such hours, upon application being made at the time the permit for the work is issued or during the progress of the work.
